AUGUST RECIPIENT

Do a Little Good, the recipient of our August collective gift, was recently presented with a donation totaling \$25,200. The organization, based in Rapid City, intends to deploy some funds to meet a variety of immediate needs in the community. A portion of our gift will also be used to help launch a 24/7 food pantry that will provide community access to free supplemental food.

Glori Cowell, DaLG founder and board member, remarked *"The amazing gift from 100WWC - Elk Rapids Area helps guarantee that our well-established projects such as childcare scholarships, veterans' needs and school lunch debt relief, will be fully funded for the next year."* For updates on the food pantry project, follow Do a Little Good (@doalittlegoodnmi) on Facebook and/or Instagram, and the newly formed Elk Rapids Food Coalition on Facebook (@elkrapidsfoodcoalition).

Representatives from Do a Little Good (R to L) Tiffany Sutter, Lee Crowell, Glori Growell, Marge Baldwin & Brett Baldwin accept our collective donation.
