

# 100 WOMEN WHO CARE NEWSLETTER

Volume 10 July 2025

## MAY RECIPIENT

On July 1, we proudly presented a check for \$26,400 to Phyllis Hoogerhyde, founder of the Star Township Volunteer Firefighters Food Pantry, Inc. This May 2025 collective donation will be used to fight food insecurity in and around Alba, allowing the pantry to increase food availability during the summer, boost protein offerings, and purchase a refrigerator. Phyllis said *“A big thank you to this fine group of ladies who work so hard to support our county.”*

## COMMUNITIES IN SCHOOLS “STUFF THE BUS” DRIVE

*“The generosity of 100 Women Who Care left us speechless – not only did you fill our little bus with school supplies, but you filled our hearts with gratitude. Your support helped students across Antrim County to have the tools they need to show up to school feeling confident and ready to learn and succeed. This kind of community investment makes a lasting impact.”*
